

CESAR E. CHAVEZ FOUNDATION RECEIVES \$3,000 GRANT TO CONTINUE EXPANSION OF NATIONAL YOUTH LEADERSHIP INITIATIVE IN ARIZONA

Phoenix, Ariz. – The Cesar E. Chavez Foundation is pleased to announce that it was selected in late November to receive a \$3,000 grant from the Arizona Community Foundation through its Arizona Hispanics in Partnership Initiative.

The Chavez Foundation was one of 14 grantees selected by the Arizona Community Foundation. The grant will help fund the continued expansion of the Foundation's flagship program, the National Youth Leadership Initiative, into the State of Arizona. The Foundation launched the expansion in December 2003 to ensure that current and future generations will continue to learn about Cesar and the importance of service to others.
