

Dear Cesar Chavez Foundation and Volunteer Center of Oceang County,

Thank you for all you have done for us.  
I learned how to pick some of the crops.  
I learned how to pick cabbage, radish, and onions.  
I had a very good time.

Now I know how Cesar Chavez felt. I know  
he was a very very hard worker. He has  
made the world better.

I liked picking the crops because it  
was fun and we helped the poor people.  
And at last Thankyou for inviting us.

Sincerely,

Dean
