ELA Summer Learning Curriculum & Training

The ELA Summer Learning Program is an English summer curriculum which strengthens students' literacy and language development skills. Lessons are connected to the core values of civil rights leader Cesar Chavez.

Curriculum Goals

Strengthen language development skills

Learn and practice skills that address the whole child

Learn through diverse children's literature

Curriculum Features

- 3 to 5 week ELA curriculum aligned to district summer calendar
- Incorporates best practices in ELA and ELD instruction
- Authentically connects art, literacy and the whole child
- Dual language Spanish Immersion version available for grades K - 5th

PARTNERSHIP HIGHLIGHTS

- ✓ 110,000+ students served
- ✓ 5,000+ educators trained

2.4 x Growth

- Summer program participants grew 2.4 times more on FAST aReading compared to non-participants.
- Largest gains were among English Language Learners & Foster/Homeless Youth

*Results from San Diego Unified Partnership
(Summer 2023)
